

**THE  
UNIVERSITY  
OF RHODE ISLAND**

The Suffolk County Department of Health Services in cooperation with the University of Rhode Island New England Onsite Wastewater Training Program, presents:

***Conventional Septic System  
Installation Class (INST100)***

*Complies with the Requirements for  
Endorsement 9 – Conventional Septic System Installer*

**Date & Time:**      **March 25, 2019    12:00 noon – 4:00 p.m.**

**Location:**      **Suffolk County Dept. of Health Services – First Floor Auditorium  
360 Yaphank Avenue  
Yaphank, NY 11980**

**Cost:**      **\$125 – Reduced Rate for Suffolk County Industry Professionals**

**Course Description and Instructors**

This half day class will allow for industry professionals to fine tune their installation methods, discuss and share personal experiences and lessons learned, and learn about new products, and requirements implemented by the Suffolk County Department of Health Services. Attendees will be provided with copies of the most recent Department residential and commercial standards and will hear from Health Department Staff as to what is expected during an installation. In addition, the class will cover an overview of onsite wastewater systems, installation techniques, new industry products, general safety issues, and how to use tools and gadgets of the trade.

At the end of the class, you may take a written examination to fulfill the Suffolk County Department of Labor, Licensing, and Consumer Affairs requirement for the Conventional System Installation Endorsement. Instructors for the class are- George Loomis of the University of Rhode Island New England Onsite Wastewater Training Center; Ed Lyons, Suffolk County Department of Health Services.

**Class Logistics**

Participants are required to be present during the entire class (12:00 noon to 4:00 p.m.). Attendance will be taken throughout the class. Your fee does not include refreshments or lunch. The county will issue certificates to participants who successfully complete the class and pass the examination.

**THE  
UNIVERSITY  
OF RHODE ISLAND**

The Suffolk County Department of Health Services in cooperation  
with the University of Rhode Island New England Onsite  
Wastewater Training Program, present:

***Innovative and Alternative Onsite Wastewater  
Treatment Technology Class (OWT 105)***

**Date & Time:** March 26, 2019 8:00 am – 5:00 pm

**Location:** Suffolk County Dept. of Health Services – First Floor Auditorium  
360 Yaphank Avenue  
Yaphank, NY 11980

**Cost:** \$200 (registrations received after March 8, 2019 the cost is \$225)

***Class size is limited to 25 people, so please register early to ensure a seat.***

**Course Description and Instructors**

Innovative and alternative (I/A) technologies are being installed and evaluated in Suffolk County, and we anticipate more active use of these technologies in the future to help protect groundwater and surface waters on Long Island. Learn about the regulatory status of I/A systems in Suffolk County; selecting the proper system for the site; the treatment train process and standards; and wastewater distribution options. We will also teach you about pumps, controls, alarms, and timers; the basic components common to most I/A technologies; media filters; aerobic treatment units; drainfield options; and operation & maintenance. After the classroom discussion, the class will head out into the field to visit several I/A technologies installed under the County's Septic Demonstration program. Instructors for the class are – George Loomis of the University of Rhode Island New England Onsite Wastewater Training Center and Justin Jobin and John Sohngen from Suffolk County Department of Health Services.

**Class Logistics**

Participants are required to be present during the entire class – please plan to be on time. Attendance will be taken throughout the class. The class fee does not include lunch or refreshment breaks - please bring your lunch, snacks and drinks, we will also have a list of nearby dining establishments available. The second half of the class is outdoors – please come prepared to be outside. The county will issue certificates to participants who successfully complete the class
